STATEMENT

As one of the world's leading manufacturers of polyester, fiber, filament yarn, polyester-based polymers, special polymers and intermediates, Sasa attaches great importance to the protection of its workforce, customers / downstream users and the environment.

As part of social responsibility, SASA participated in the Humane Society International (HSI) #BeCrueltyFree campaign to promote the ban on cosmetic safety animal testing in all major markets by 2023

As Sasa, we hereby declare that we do not need animal tests for the production of our products and that we do not conduct any animal tests in our own laboratories.

In case of further questions, please do not hesitate to contact us.

Yours sincerely,
