STATEMENT

We hereby declare that Sasa polymer chips products do not contain intentionally added microplastic and its derivative.

These kind of substances are not used as ingredients for production of Sasa polymer chips products. This substance, if any, may only be present as adventitious trace impurities (not intentionally added to the products); and we do not analyze the products for these substances.

In case of further questions, please do not hesitate to contact us.

Yours sincerely,

Gamze ÇELİK
